Lyrics by Phil Wilde, Peter Bauwens & Steven Tracey

Come on! - Come on!

Come on! - Come on!

Prayin' for the good times

So'long to the bad times

Baby are you ready - Here we go

Turn you up - There's no limit

As long as you're in it

Give it all you got - Just let it show

Are you in for the fast ride - I'll take you out on the wildside

Are you in for the fast ride - Livin' life on the faultline

Are you in for the fast ride - I'll take you out on the wildside

Are you in for the fast ride - Do it, do it ! You can do it

Never ever never ever surrender

Let all you dreams come true

Never ever never ever surrender

We will make it through

Never ever never ever surrender

If you want it too

It's all up to you - Don't ever surrender

Oh yeah - Never surrender

You've got the power - It's yours to devour

Go where you have never been before

Never stop when you're winning

It's only beginning

You don't have to fake it anymore

Are you in for the fast ride - I'll take you out on the wildside

Are you in for the fast ride - Livin' life on the faultline

Are you in for the fast ride - I'll take you out on the wildside

Are you in for the fast ride - Do it, do it ! You can do it

Never ever never ever surrender

Let all you dreams come true

Never ever never ever surrender

We will make it through

Never ever never ever surrender

If you want it too

It's all up to you - Don't ever surrender
Never surrender - never surrender
Do it, do it ! You can do it
Never ever never ever surrender
Let all you dreams come true
Never ever never ever surrender
We will make it through
Never ever never ever surrender
If you want it too
It's all up to you - Don't ever surrender
You don't have to fake it anymore
You'll never surrender !
