Ruler Of Everything

Tally Hall

Juno was mad
He knew he'd been had
So he shot at the sun with a gun
Shot at the sun with a gun
Shot at his wily one
Only friendIn the gallows or the ghetto
In the town or the meadow
In the billows
Even over the sun
Every end of a time
Is another begunCHORUS:
You understand
Mechanical hands
Are the ruler of everything (Ah)
Ruler of everything (Ah)
Yes, I'm the ruler of everything
In the endDo you like how I dance?
I've got zirconium pants
Consequential enough
To slip you into a tranceDo you like how I walk?
Do you like how I talk?
Do you like how my face
Disintegrates into chalk?I have a wonderful wife
I have a powerful job
She criticizes me for being egocentric (ha)Your practice, your manners
Slam you into the wall
If this mirror were clearer
I'd be standing so tallI saw you slobber over clovers
On the side of the hill
I was observing the birds,
Circle in for the killI've been you
I know you
Your facade is a scam
You know you're making me cry,
This is the way that I amI've been living a lie,
A metamorphical scheme-
Detective undercover brotherhood
Objective obscene
Oh no,

No?
Oh, yeahDo you hear the flibbity jibbity jibber jabber
With an oh my god I've got to get out of here or I'll have another
Word to sell
Another story to tell
Another time piece ringing the bell
Do you hear the clock stop when you reach the end
No
You know it must be neverending
Comprehend if you can
But if you try to pretend to understand
You resemble a fool
Although you're only a man
So give it up and
SmileCHORUS
Without looking down
Gliding around
Like a bumbling dragon I fly
Scraping my face on the sky
Oh no
No?
Oh yeah
