Ain't Nothing 'bout You

Taylor Swift

Once I thought that love was something I could never do
Never knew that I could feel this much
But this yearning in the deep part of my heart for you
Is more than a reaction to your touch
It's a perfect passion and I can't get enoughThe way you look, the way you laugh
The way you love with all you have
There ain't nothing 'bout you
That don't do something for me
The way you kiss, the way you cry
The way you move when you walk by
There's ain't nothing 'bout you
That don't do something for meIn my life I've been hammered by some heavy blows
That never knocked me off my feet
All you gotta do is smile at me and down I go
And baby, it's no mystery, why I surrender
Girl you got everythingThe way you look, the way you laugh
The way you love with all you have
There ain't nothing 'bout you
That don't do something for me
The way you kiss, the way you cry
The way you move when you walk by
There's ain't nothing 'bout you
That don't do something for meI love your attitude, your rose tattoo
Your every thought
Your smile, you lips
And girl the list goes on and on and onThe way you look, the way you laugh
The way you love with all you have
There ain't nothing 'bout you
That don't do something for me
The way you kiss, the way you cry
The way you move when you walk by
There's ain't nothing 'bout you
That don't do something for meThe way you look, the way you laugh
The way you love with all you have
Your dance, your drive, you make me feel aliveThe way you talk, the way you tease
By now I think you see
There ain't nothing 'bout you
That don't do something for me
