Still Too Soon to Know

Elvis Costello

Do you love him or is it still too soon to know?
When I think back a couple of days
Before I found you in his spell, was there a warning?
What can I say, should I look away
It's still too soon to knowAre you sorry or is it still too soon to know?
It didn't take much to break us in two
For it was in the way that he came close to touching you
The look in your eyes, I thought I recognized
It's still too soon to knowAnd it's still too soon to know
Will you stay or will you go?
It's still too soon to knowWhen I think back a couple of days
If I wasn't happy then, I never will be
I wonder was this ignorance or bliss?
It's still too soon to know
