Don't Disconnect

Sarah Jaffe

Pretty soon I`ve got to go,
the soon I leave,
the sooner I can come home.
Do you still feel me?
Don't disconnect,
don't disconnect yet,
don't disconnect yet.
Go ahead and just ask me all of the questions left in your head,
don't disconnect,
don't disconnect yet,
don't disconnect yet, don't disconnect yet.
Do you still feel me?
Do you still feel me? Do you still feel me?
