

# Candyman (feat. Aloe Blacc)

Zedd

Livin' for tomorrow  
Lost within a dream  
Tryna find the answer to the question  
And it seems that love makes the world feel good Singin' in the moonlight  
Dancin' in the rain  
Let the sun shine through to lift your spirit once again  
'Cause love makes the world feel good Chasing after rainbows  
Somewhere in the sky And it feels so good  
Oh yeah  
And it feels so good  
Oh yeah  
And it feels so good  
Oh yeah  
And it feels so good  
Oh yeah And it feels so good Riding on a rhythm, of hearts that beat as one  
This feels like forever  
And we've only just begun  
'Cause love makes the world feel good Holding on the memories  
Where smiles are still alive  
Look into the future and it's happiness inside  
'Cause love makes the world feel good Walking through my past life  
Where the days are full of joy And it feels so good  
Oh yeah  
And it feels so good  
Oh yeah  
And it feels so good  
Oh yeah  
And it feels so good  
Oh yeah And it feels so good  
Hey
