

# Rise To Me

## The Decemberists

Big mountain, wide river,  
There's an ancient call,  
These tree trunks, these stream beds,  
Leave our bellies full  
They sing out, I am gonna stand my ground  
You rise to me and I'll blow you down  
I am gonna stand my ground  
You rise to me and I'll blow you down

Hey Henry, can you hear me,  
Let me see those eyes  
This distance, between us  
Can seem a mountain size  
But boy, you are gonna stand your ground  
They rise to you you'll blow them down  
Let me see you stand your ground  
They rise to you you'll blow them down

My darling, my sweetheart,  
I am in your sway,  
Two cold climbs, come spring time  
So let me hear you say, my love  
I am gonna stand my ground, they rise to me and I'll blow them down  
I am gonna stand my ground, they rise to me and I'll blow them down  
'Cause I am gonna stand my ground  
You rise to me and I'll blow you down
