Hot Boy Party

Clint Crisher

I wanna leave this afternoon
Im heading to another
Hot boy party
Its a full moonCome on boys
Lets start to play
In the heat of the day
Boys circle jerkin
Trading up and servicing
Hot boys jerkin, still come
At the hot boy party
At the hot boy partyWe got sex
So if you got what it takes
And need some sharing
At the hot boy partyBoys like watchin
All the sexy moves youre dropppin
Might be one lover that you wanna take home
But right now, share and enjoy
Every boy at the hot boy partyHot boy partyBoy, boy, busy, busy
Start the show
And rub me rub me
Living while we can
At the hot boy party
At the hot boy partyGetting it on we like to party all night
Sexy lovin at the hot boy party
Get it on right on!
Get it on right on!
Watch the boys cheer you on
Snap your finger
Your hands and 10 others
Will be having a hot boy party
Rub me living while we can
If youre just watchin
Start playin at the hot boy partyHot boy partyYeah lets go!
Boys like to fuck
Every hour everyday
We like to suck
If you watch
When its wrong,
We like to fuck

If youre black, if youre white
If youre cut or uncut
Curvin to the right or
Curvin to the left
Hangin to the right or
Swingin to the left
Boys like to fuck
When its loose
When its right

Boys like to suckBoys like jerkin
Boys like watching
All the sexy moves youre dropping our way
So if youre so damn horny
Then do the whole party
Stop watchin, start playing todayFe-fe-fe-fe-fe-feel clint
