# Two Blind Minds

## Bobby Sherman

You left, even though I said â€˜Iâ€™m sorryâ€™
You smiled at me and said â€˜This is fateâ€™
The minutes have turned into hours
How long must I wait?

All upside things have turned down now
It seems like Iâ€™m running â€˜round in a square
Our room full of love now is empty
I just canâ€™t believe you donâ€™t care

Two blind minds
See how they run
Two blind minds
See how they run
run run run run run

Too much was wrapped in tomorrows
Planning for the lifetime we would share
Now all my world is broken
All my hopes are bare

Two blind minds
See how they run
Two blind minds
See how they run
run run run run run

Suddenly the room begins to brighten
I turn and youâ€™re standing at the door
You hand me some tears and say youâ€™re sorry
You give me your love forevermoreâ€¦ again

Weâ€™re in love
Weâ€™re in loveâ€¦ again
Weâ€™re in love
Weâ€™re in loveâ€¦ again
