What So Not

I want it, I want it
I want it
I want it, I want it
I want it

JAGUAR track

JAGUAR track

I want it, I want it
I want it
I want it, I want it
I want it

I need you walking with me, too

JAGUAR track

Never into me
I don't know where I go
And never make my soul at ease
And then never again
Never

JAGUAR track

Never into me
