Blood For Blood

Machine Head

I bite the hand 'cause this hands feeds off me
Devoid of emotion, it lives to cheat
Ignorance is bliss, and respect I gave you
Friend you did claim this
Too bad you can't speak the truthGive respect
'Cause the rule is blood for bloodBeatings are what you'll inherit this time
Fist bait, your new name
Your pain is my shrine
Pulverize and break
Determination
Pleasure I negate
Your pain brings me salvationGive respect
'Cause the rule is blood for bloodI was born to tension
Anger came from frustration
I can't back down from aggression
Some hard knocks taught me this lessonGive respect
'Cause the rule is blood for bloodGive respect
'Cause the rule is blood for blood
