Closer To The Heart

Rush

And the men who hold high places
Must be the ones who start
To mold a new reality
Closer to the heart, closer to the heartThe blacksmith and the artist
Reflect it in their art
They forge their creativity
Closer to the heart, yes closer to the heartPhilosophers and ploughmen
Each must know his part
To sow a new mentality
Closer to the heart, well closer to the heartYou can be the captain
And I will draw the chart
Sailing into destiny
Closer to the heart, yes closer to the heart
I said closer to the heart, yeah closer to the heart
Closer to your heart, I said closer to your heart
