I've Been Spun

City Boy

BroughtonRonnie's arrived with his Radio
He carries it everywhere he goes,
And talk about knowing your airwaves
...Ronnie'll name a fewNicholas came with his cockatoo... too,
Which is really a pigeon but his heart would stop tickin'
if he ever knew.
'Cos everybody needs somebody (sometime)
I'm still needing you
CHORUS
I've been spun and spin-dried
but still the tears fall from my eyes.
I've been spun but I'm cry-dyed
do me a favour and wring me.
I've been spun and spin-dried
but still the tears fall from my eyes.
I've been spun but I'm cry-dyed
do me a favour and wring me... sometimeLittle Linda's got a way with men
And so far she's got away with about nine or ten
'Cos everybody needs somebody (sometime)
I'm still needing you
CHORUS
I've been spun and spin-dried
but still the tears fall from my eyes.
I've been spun but I'm cry-dyed
do me a favour and wring me.
I've been spun and spin-dried
but still the tears fall from my eyes.
I've been spun but I'm cry-dyed
do me a favour and wring me... sometime
