If Teardrops Were Silver (Re-Recorded)

Jean Shepard

If heartache was laughter
Then I'd be a clown
If loneliness was happiness
I could sure spread some roundIf hurting was like heaven
There'd be no wings like mine
If teardrops were silver
Oh, how I'd shineIf loving you was good for me
I'd be the picture of health
And if missing you was riches
I'd own the world and all its wealthAnd if wanting you was wisdom
I'd be the wisest and then
I'd know why I lost you
And could win your love againBut hurting's not heaven
It's more like someplace else
But hurting is the one thing
That I do so wellYes, if heartaches were funny
I could laugh all the time
And if teardrops were silver
Oh how I'd shineIf teardrops were silver
Oh, how I'd shine
