Downer

Urban Dance Squad

Can you hold my hand now ?
If you're ready and ableCan you pass the quicksalt ?
I feel like faintin'I got it so bad
You don't know when you got it goodAnd if I might fall
Put some coins on my eyeballs,
Coins on my eyeballs
To pay the ferryman's tollFallin' from the sky, but I've never seen the sun
Fallin' from the sky he has seen the sunTell icarus he's not the only one
Tell icarus he's the not only one
