Watermill

The Ozark Mountain Daredevils

Where the snow melts and the shadows bend
Weeping willows dance and the sea swells
At the river's end calling in the tranceAnd our eyes meet while the watermill
Turns the stubborn stream
And my life breaks on the waterwheel
Into a dreamWhen the light fades and the wind is still
Hear the cricket's rhyme and the cascades
Of the river spill falling out of timeAnd our eyes meet while the watermill
Turns the stubborn stream
And my life breaks on the waterwheel
Into a dreamSo the earth turns like a paddlewheel
Secret still in spin and the sun burns
On a golden field where you've always beenAnd our eyes meet while the watermill
Turns the stubborn stream
And my life breaks on the waterwheel
Into a dream
