Rock 'n' Roll

Ryan Adams

Everybody's cool playing rock n roll
Everybody's cool playing rock n roll
I don't feel cool at all
I don't feel cool at allSend all of my best out to the band
I don't think I'll make it out to the show
There's this girl I can't get out of my head
There's this girl I can't get out of my head
And I don't feel cool at all
