Full-Time Video Girl

Dreadlock Pussy

Picture perfect groomed to a 't'
Positively and utterly empty
See the vultures on their knees groveling before their queenShe looks real nice like a shiny perfect thing
Blinking on the edge of your sight
And in a flash you mosey on down thinking what luck befalls
I captured innocence on celluloid sparkling eyes
Inviting you to sample the goods for yourself
Always just a call away
If necessary here's the page
Just promise to never forget about that little whore!
Radiant throwaway, full-time video girl
(That little whore!)
So fabulous don't need a last name
To sell herself to the worldShe's not fake (so you say)Spectator sport watch them crash and burn
Waiting for the perfect chance
To strike conversations about nothing at all
Anything for a spot in the lightIt's a little bit of shattered innocence
With all the rude shoots and all the other things
If you want to work you gotta let them come
Claiming dues without any clothes
Come on hon, the whole world just a hand job away
If necessary you'll even get them laid
Just promise never to forget
Forget about hat little whore!
Radiant throwaway, full-time video girl
(That little whore!)
So fabulous don't need a last name
To sell herself to the world
