Gimme

Dunamis

If you want it in the mornin'
Just call my name
If you want it in the evenin', baby
Just do the same
Let me
(Sock it you, sock it to you)
(Sock it to ya, sock it to ya)
The way a woman can
Let me
(Give it to you, baby)
Make you feel like a real
Gimme, gimme, gimme
(Give it to me, give it to me, gimme)
Gimme, gimme, gimme
(Give it to me, give it to me, gimme)
Gimme, gimme, gimme
(Give it to me, give it to me, gimme)
Gimme, gimme
Oh, ohh, if you want me to super freak ya
Slow my roll and teach ya
(Peep, peep, peep, peep, peep)
(Peep, peep, peep, peep, peep)
Yeah, what you gonna do
Gimme, gimme, gimme
(Give it to me, give it to me, gimme)
Gimme, gimme, gimme

(Give it to me, give it to me, gimme)
Gimme, gimme, gimme
(Give it to me, give it to me, gimme)
Gimme, gimme
Give it to me high, give it to me high
(Oh, ohh, baby, whatcha gonna do?)
Give it to me high, give it to me high
(Oh, baby, whatcha gonna do with it?)
Ooh, lay it down
Ooh, if you want the funk, honey
Mama's gonna give you
What you want, honey

Just don't front, honey
I'll give to you but you gonna have to
Gimme, gimme, gimme
(Give it to me, give it to me, gimme)
Gimme, gimme, gimme
(Give it to me, give it to me, gimme)
Gimme, gimme, gimme
(Give it to me, give it to me, gimme)
Gimme, gimme, gimme
(Give it to me, give it to me, gimme)
Gimme, gimme
(Give it to me, give it to me, gimme)
