Middle Finger

Instigate

[Mac Miller]
yeah
And it feel like...
Put yo middle fingers up like...
uhhh
Got my middle finger up
And it's pointing to the clouds
Rollin in with my whole entourage
Too many of us to count
Tell baby girl Im on that
Danger bring your hard hat
Might not get that call back
So those stories start at
[Cobra Starship]I step into the club
The haters turn around
My middle finger's up
Man Im just gettin down
To get me in the mood
To get me good I needed
Aphrodisiac, yeah
Aphrodisiac, yeah
And then she pulled me close and told me now
Let's rock the night away
I'll move your body to the beat like this (like this)
like this...
Throw your cups in the air
We so fly
Middle finger up to the sky
(Throw it up)
in the sk-y-y-y
in the sk-y-y-y
in the sk-y-y-y-y-y-y
Do it all the time
Do it all night
Middle finger up to the sky
(Throw it up)
in the sk-y-y-y
in the sk-y-y-y
in the sk-y-y-y-y-y-y

Keep it movin', yeah
I gotta let you know
That your the only girl
Who can drive me wild
Yeah, you feel good
Better then I thought
You got me so...
Girl you got me outta my mind
Now if you want me like I know I want you
Let's rock the night away
Move your body to the beat like this (like this)
like this...
Throw your cups in the air
We so fly

Middle finger up to the sky
(Throw it up)
in the sk-y-y-y
in the sk-y-y-y
in the sk-y-y-y-y-y-y
Do it all the time
Do it all night
Middle finger up to the sky
(Throw it up)
in the sk-y-y-y
in the sk-y-y-y
in the sk-y-y-y-y-y-y
[Mac Miller]We got our middle fingers up
'Cause we don't give a fuck
Liottle bit of Gin mixed in my cup
This is us so drink that up
Girl I might need a ride home
You can take me back to your spot
Sure shot, got your heart on lock
Call that fort knox
Or not, be a swing and miss
I bet you're tryna prove what the meaning of single is
What you got to lose?
I'm drunk as hell
Tryna talk to you
No other girl here that's hot as you
So I'll slow it down
That's chopped and screwed
[Cobra Starship]Throw your cups in the air
We so fly

Middle finger up to the sky
(Throw it up)
in the sk-y-y-y
in the sk-y-y-y
in the sk-y-y-y-y-y-y
Do it all the time
Do it all night
Middle finger up to the sky
(Throw it up)
in the sk-y-y-y
in the sk-y-y-y
in the sk-y-y-y-y-y-y
Throw your cups in the air
We so fly
Middle finger up to the sky
(Throw it up)
in the sk-y-y-y
in the sk-y-y-y
in the sk-y-y-y-y-y-y
Do it all the time
Do it all night
Middle finger up to the sky
(Throw it up)
in the sk-y-y-y
in the sk-y-y-y
in the sk-y-y-y-y-y-y
