Ignorin'u

Pitty

I am ignoring u
I will ignore u
I am ignoring u
I will ignore u
'Cause your heart is
So full of this shit
And I will ignore uDon't bring me your sorrows
Don't bring me your jealousy
Don't drown me in your mood
That kind of thing you do
'Cause I was not born to be
The princess up the tower
Oh, you can't keep me
Quiet and tied in this bloody cageI am ignoring u
I will ignore u
I am ignoring u
I will ignore u
'Cause your heart is
So full of this shit
And I will ignore uI am not waiting for
A prince on a white horse just to save me
I know I have to do by myself
And this time I will be free
