

# I See You Moving

## The Alter Boys

Advisory - the following lyrics contain explicit language:

On my way over to your place -- somewhere I got lost along the way  
Blinded by all of these neon lights  
Those southern belles and Savannah nights  
I see you moving -- you're an addiction  
I'll play the junkie you'll be the cure  
You know me better than I know myself  
Your cold intentions froze my desire  
Cheap motels and this real cheap wine  
Sex only sells if someone buys  
The smell of sweat as the semen dries  
Now I can not look her in the eyes  
I'm on the edge now, I'm looking over  
You're down and lonely your hands in motion  
Beyond temptaion beyond control  
Your cold intentions froze in my veins  
Searching for the perfect alibi  
I guess I'll blame it on those neon lies
