Sacrifice

The Expendables

Where I would have been with a different plan
Like the tide upon the sand
It washed away from me
Opportunities to where I stand
Sometimes I feel so empty handed
'Cause we're not the only ones
Who will understand me

[Chorus 2x]
Ohhh... It's such a sacrifice inside
Ohhh... Somebody clear these stormy skies
We'll never ever loose sight of our goals
Won't let go
And even tough were a little bit older
The truth is colder
Got to work... got to make that money
I hope it's something
'Cause we're not the only ones
Who can make this happen

[Chorus 2x]
Ohhh... It's such a sacrifice inside
Ohhh... Somebody clear these stormy skies

[Guitar Solo]

The current is so strong
And I can't fight no more
And how I long to be
On that stable shore
If we could only step outside the shade
And in the games we play
The threat of uncertainty
Has carried me out to sea

[Chorus 2x]
Ohhh... It's such a sacrifice inside
Ohhh... Somebody clear these stormy skies
