Meija

Porno For Pyros

Where you going Mejia?
Yeah, you got your money
In your hand
And you mind
Already out of the door
Didn't get her started
There ain't no stopping her
You gotta
Wait till she runs
Out of money
Or maybe get to sleep
She knows everybody
GoBaby took the car
Out for a drive
Didn't come back
For nearly two days
Where's she been?
Why'd she go?
Why's she back now?
We all know
We know why
We know why
She's back again
We know
Where's she goin'
Someplace better than hereEverybody count your money
Everybody count your money
Everybody, yeah you better count your moneyWhere you going Mejia?Baby took the car
Out for a drive
Didn't come back
For nearly two days
Where's she been?
Why'd she go?
Why's she back now?
We all know
We know why
We know why
She's back again
We know

Where's she goin'
Someplace better than hereEverybody count your money
Everybody count your money
Everybody, yeah you better count your money
