I Want You To Die

Mondo Generator

I want you to die
Why, oh why
Cause I don't care, I don't care
I don't care, no matter, why
I'd kill you but you'd do it for me
I know you are the one who's after meWoah, kill
Don't ask me, don't tell me and pretend that you know me
If you sit out on the street
Cause I don't careI want you to dieI want you to die
I want you to die
I want you to die
I want you to die
