My Pain

Lil Rue

If you wanna understand my pain,
Let me take you back and start again,
One time I wanna make you look inside,
The other time I only run and hide.

If you wanna understand my pain,
Let me take you back and start again,
One time I wanna make you look inside,
The other time I only run and hide.

If you wanna understand my pain,
Let me take you back and start again,
One time I wanna make you look inside,
The other time I only run and hide.
