Steal Away

Robbie Dupree

Come on and hold me
Just like you told me
Then show me

What I want to knowWhy don't we steal away

Why don't we steal away

Into the night

I know it ain't rightDon't tease me

Why don't you please me

And show me

What you came here for Why don't we steal away

Why don't we steal away

Into the night

I know it ain't right

Into the night, babe

Baby tonightOoh

I caught you glancing my way

And I know what you're after

(No second chances tonight) Why don't we steal away

Into the night

I know it ain't right

Into the night

I know it ain't rightWhy don't we steal away

I know it ain't right

Into the night, babe

Why don't we steal away

Make it tonight

Why don't we steal away
