Valley

Doves

On the day the bailiffs came
Took the keys away
Took their home away
And honestly they felt ashamed
They couldn't foresee it
They couldn't believe it
In the hills
The October fields such a secret
And who would believe it
It's a great day for the valleys
It's a great day for them all
She takes her time
Sings of the love
No one believed her
She made the tea
Left all the keys
She's such a seeker
And no one believed her
It's a great day for the valleys
It's a great day for them all
It's a great day, it's a new day
For them all
(Ooh, ooh, ooh, ooh)
It's a great day for the valleys
It's a great day for them all
It's a great day, it's a new day
For them all
(Ooh, ooh, ooh, ooh)
