forgetting

CiLt

Crawling then walking
Then running and sweating
Forgetting
Lying and cheating
Aiding and abetting
Forgetting
Itching and scratching
And punching and hitting
Forgetting, forgetting
Forgetting, forgetting
Reminding, rewinding
Removing, regretting
Forgetting
Your smiles at the wake
And your tears at the wedding

Forgetting, forgetting
Forgetting, forgetting
Forgetting, forgetting
Forgetting
Spellbound and hell-bound
And caught in the netting
Forgetting
A wiping it clean
A minute Armageddon
Forgetting, forgetting
Forgetting, forgetting
Forgetting, forgetting
Forgetting
Forgetting, forgetting
Forgetting
