

The Ballad of Wilhelm Fink

Green Day

Said that I'd meet you
At the Berkeley Marina
3 a.m. when no one will be foundAll I got in mind
Is a Boone's Farm jug of wine
Smash a bottle in the parking lotBut considering our luck
We'll get busted by the cops
Instead of sex we'll go to jail
Another lesson learned and failedSaid that I'd meet you
At the Berkeley Marina
3 a.m. when no one will be foundAll I got in mind
Is a Boone's Farm jug of wine
Smash a bottle in the parking lotBut considering our luck
We'll get busted by the cops
Instead of sex we'll go to jail
Another lesson learned and failed
