I've Been Working

Van Morrison

I've been workin'
I've been workin' so hard
I've been workin'
I've been workin' so hard
I come home
Make love to you, make love to youI've been grindin'
I've been grindin' so long
I've been grindin'
I've been grindin' so longBeen up the thruway, down the thruway
Up the thruway, down the thruway
Up, down, back and up againI said woman, woman, woman, woman, woman
Make me feel so good
Woman, woman, woman, woman, woman, woman , woman
Make me feel alright
Alright, alright, alright, alright, alright, alright, alright
Alright, alright, alright, alright, alright, alright, alrightI said woman, woman, woman, woman, woman, woman, woman
Make me feel so good
Woman, woman, woman, woman, woman, woman, woman, woman
Make me feel alright
Alright, alright, alright, alright, alright, alright, alright
Alright, alright, alright, alright, alright, alright, alright
Make me feel so good
Set my soul on fire
Set my soul on fire
Oooo weee
