Smile an ever lasting smile Y no, no quiero ni pensar Llorar porque no ests aqu A smile can bring you near to me Now my love This world has lost its glory Que puedo hacer Let's start a brand new story You think that I don't even mean A single word I say Te puedo retener Si solo con palabras Talk in ever lasting words And dedicate them all to me And I will give you all my life I'm here if you should call me Yo s dificil es creer Palabras nada mas Que puedo hacer Si solo con palabras Te puedo retener It's only words To take your heart away And words are all I have Da da da da da da da Da da da da da da da da Da da da da da da da da Da da da da da da da da This world has lost its glory Let's start a brand new story Now my love Yo s dificil es creer Palabras nada mas Que puedo hacer Si solo con palabras Te puedo retener It's only words To take your heart away And words are all I have Que puedo hacer Si solo con palabras Te puedo retener
