

# Dancing On My Own

Pixie Lott

GD:

You know I'm trying to make it happen for us right now  
I gotta do what I gotta do, for me and you

TOP:

I remember we were living like kings and queens  
In a little tiny castle made of hopes and dreams  
It was destiny, it was meant to be, we were so complete, the perfect team

GD:

Then suddenly there's a glitch in the system  
And in between us is a big strip of distance  
They say it's supposed to make the heart grow fonder  
From all I can tell it couldn't be wrong

Pixie Lott:

A little bit more goes a long way

TOP:

A little bit of right goes the wrong way

Pixie Lott:

I keep giving you keep taking

GD:

I'm trying to make a living be patient

Pixie Lott:

All dressed up no where to go

So I'm dancing on my own

I've been waiting way too long

Dancing on my own

Play one more so-o-o-o-ong,

so-o-o-o-ong, so-o-o-o-ong

But you're not coming

So-o-o-o-ong,

so-o-o-o-ong, so-o-o-o-ong

But you're not coming home

GD:

I don't want you dancing by yourself

And I don't want you picturing yourself with someone else

I know I made some promises and honestly I wanted this to work out

I didn't know the shiny star I found was about to burn out

So what now, we go around like a record

I'm feeling disconnected and you're feeling disrespected

I don't know how this gonna wrap up but 'til i'm home you should turn that track up

Pixie Lott:

And that's all I get from you  
But I give my all to you

GD:

And that's all I hear from you

Pixie Lott:

All dressed up no where to go  
So I'm dancing on my own  
I've been waiting way too long

Dancing on my own

Play one more so-o-o-o-ong,  
so-o-o-o-ong, so-o-o-o-ong

But you're not coming

So-o-o-o-ong,

so-o-o-o-ong, so-o-o-o-ong

But you're not coming home

TOP:

I always think about her

Try to not over think about her

I always dream about her

Try not to dream about her

I'm feeling so lost without her

I, I, I, I try to come home

And it's so hard being out on my own

It breaks my heart to leave you alone

Pixie Lott:

And that's all I get from you  
But I give my all to you

TOP & GD:

And that's all I hear from you

Pixie Lott:

All dressed up no where to go  
So I'm dancing on my own  
I've been waiting way too long

Dancing on my own

Play one more so-o-o-o-o-ong,  
so-o-o-o-o-ong, so-o-o-o-o-ong

But you're not coming

So-o-o-o-o-ong,

so-o-o-o-o-ong, so-o-o-o-o-ong

But you're not coming home

TOP:

I told you I'll be home

I told you I'll be back

Pixie Lott:

One more song till you go home

GD:

I told you I'll be home

I told you I'll be back

I told you I'll be back girl

I told you I'll be home
