# The Beginning (Week One)

## The Features

Week one was lots of fun
We built a fort inside your room
We walked around this town
Made out like bandits in the moonWhere have you been so long so long
I've waited for so long for you
I've got ta figure out
Just what this means and what to doOh love is oh so sweet
I can't believe I called you mine
My heart was incomplete
Until you came into my life
Where have you been so long so long
I've waited for so long for you
I've got ta figure out
Just what this means and what to do
