Inside Job

Mudhoney

I'm always watching
I've been living like this
All my life
I've changed my mind
From outside
That I want in
Take you by surpriseWhen you do my in
Takes an inside job to make it easy
Takes an inside job to make it easy
When it's hardWhen it's hard
It takes an inside job
To really get things done
You got to get inside
To make the changes come
You come around, You call out loudAnd hold me tight, til the shit comes down
Takes an inside job to make it easy
When it's hard
When it's hard
