

Pledge Your Allegiance

Suicidal Tendencies

ST, ST, ST, ST, I never said, "I don't like religion, I just don't like TV"
 You say, "I got a bad attitude around you that comes naturally"
 You say, "I need more compassion, I can forgive, I just can't forget"
 You say, "Control my temper but when I feel like shit, I feel like shit" 'Cause I was born to be, ST
 And I'll always be, ST
 Don't get down on me, ST
 'Cause I'm down OG, ST Why can't I ask any questions if what you say is true
 Am I supposed to believe everything or just everything said by you?
 And how can you call me stupid when you don't understand what I say?
 And how can you call me evil, have you spoken to God today?
 And what did he say? 'Cause I was born to be, ST
 And I'll always be, ST
 Don't get down on me, ST
 'Cause I'm down OG, ST
 Not afraid to die, ST
 Just you promise me, ST
 You got to carry on, ST
 You gotta carry on, ST As long as your heart beats
 Pledge your allegiance
 ST, ST, ST, ST, You can call me ugly but I still dress the way I choose
 How you gonna judge me, you've never taken a walk in my shoes?
 Why don't you ever trust me when I'm smiling, is it a sin to have fun?
 And why should I repent when there's nothin' wrong with anything
 That I've done 'Cause I was born to be, ST
 And I'll always be, ST
 Don't get down on me, ST
 'Cause I'm down OG, ST
 Not afraid to die, ST
 Just you promise me, ST
 You got to carry on, ST
 You gotta carry on, ST Pledge your allegiance
 Pledge your allegiance
 Pledge your allegiance
 Pledge your allegiance Pledge your allegiance
 Pledge your allegiance
 Pledge your allegiance
 Pledge your allegiance Suicidal, suicidal, suicidal
 Suicidal, suicidal, suicidal
 Suicidal, suicidal, suicidal

Suicidal, suicidal, suicidal
Suicidal
