# Another Day

## Armored Saint

Fading moments fill up my eyes so wide I don't know why things are strange, yeah strange but there's a will and my way is roaming light roaming light roaming light please let me buy another day
E let me try to find another day I'm riding a wave that's moving too slow and it seems there is a void in my life, yeah life but there's a will and my way is roaming light roaming light roaming
Please let me buy another day please let me try to find another day please let me buy another day please let me try to find another day I feel the need down deep inside to get out of here and d
Ear please let me buy another day please let me try to find another day please let me buy another day please let me try to find another day another day another day another day I've got to find a
Won't you lead today got to find another day
