Enemy

Blue Stahli

Lost in the time
In the way
Gone but not forgottenNew secret crimes
To repay
Now the walls have fallen
And so it's now or neverI'm breathing in
I'm breathing out
I'll cut the ties that hold me downI'm breathing in
I'm breathing out
I'll be the enemyCaught quicksand grip
Pull me in
Whisper faith in sicknessSoon kill the myth
I'll begin
Be the first to witness
And so it's now or neverI'm breathing in
I'm breathing out
I'll cut the ties that hold me downI'm breathing in
I'm breathing out
I'll be the enemyI'm breathing in
I'm breathing out
I'll cut the ties that hold me downI'm breathing in
I'm breathing outI'm breathing in
I'm breathing out
I'll be the enemy
