Stay

Nick Jonas & The Administration

Hard to believe
Where we are now
Your hand in mine, babe
Feels right somehow
The night is so still
Don't make a sound
It's almost perfect, baby
So promise you'll never look down
'Cause we had our past, I know
Let's leave that behind
'Cause your love will last
All that we have is tonight
'Cause you're not the only one
Who's ever felt this way
Don't let the world cave in
Just tell me that you'll stay
Now that the pain is done
There's no need to be afraid
We don't have time to waste
Just tell me that you'll stay
Ooh, ooh, ooh
Beautiful, one of a kind
You're something special, baby
You don't even realize
That you're my heart's desire
All that I needed to know
I know you're scared
But I promise, babe
I'm not who I was before

'Cause you're not the only one
Who's ever felt this way
Don't let the world cave in
Just tell me that you'll stay
Now that the pain is done
There's no need to be afraid
We don't have time to waste
Just tell me that you'll stay
You're not the only one

Who's ever felt this way
Don't let the world cave now
Tell me that you'll stay
Now that the pain is gone
There's no need to be, be afraid
We don't have time to waste
Tell me that you'll stay
Tell me that you'll
Tell me that you'll stay
Baby, please, tell me
Tell me
Tell me you're gonna stay
Ooh, ooh, ooh
Ooh, ooh, ooh, yeah
Tell me you're gonna stay, baby, yeah
Because I just got your love, baby
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, yeah, whoa
You're gonna stay, baby
You're gonna stay
