The Promise Song

Keith Green

Oh, if you keep my word
Ill make you as a tree
Planted by the streams of life
If youll submit to meAnd if you love the hateful ones
Who mistreat you constantly
The book of life shall bear your name
If you love your enemiesYes, Lord, Jesus
Yes, Lord, JesusAnd if you'll do my will
Ill make you living stones
To build up in my Fathers house
If you'll serve me aloneAnd if you love all men
Especially the least
Ill raise you up, the lowest ones
And make you kings and priestsYes, Lord, Jesus
Yes, Lord, JesusAnd if youll seek my face
And set your life apart
Ill let myself be found by you
When you look with all your heartAnd if you never turn aside
To the left or to the right
Ill be a lamp unto your feet
And keep you on the path of lightYes, Lord, Jesus
Yes, Lord, JesusYes, Lord, Jesus
Yes, Lord, Jesus
