Araby

Kevin Coyne

I want to take a trip to Araby
I want to take a trip to Araby
I want to see the sun descend on a maiden's kneesI want to ride in a great bronze butterfly
I want to ride in a great bronze butterfly
I want to see the sun descend in a great big blue Arabian skyI want to go where white men never go
I want to go where white men never go
I want to see those natives dancing their ho-di-ho, dancing theirOh, dance all night
I want to take my trip to Araby
I want to take my trip to Araby
