Why'd Ya Do It

Marianne Faithfull

When I stole a twig from our little nest
And gave it to a bird with nothing in her beak
I had my balls and my brains put into a vise
And twisted around for a whole fucking week
Why'd ya do it, she said, why'd you let that trash
Get a hold of your cock, get stoned on my hash?Why'd ya do it, she said, why'd you let her suck your cock?
Oh, do me a favor, don't put me in the dark
Why'd ya do it, she said, they're mine, all your jewels
You just tied me to the mast of the ship of foolsWhy'd ya do it, she said, when you know it makes me sore
'Cause she had cobwebs up her fanny and I believe in giving to the poor
Why'd ya do it, she said, why'd you spit on my snatch?
Are we out of love now, is this just a bad patch?Why'd ya do it, she said, why'd you do what you did?
You drove my ego to a really bad skidWhy'd you do it, she said, ain't nothing to laugh
You just tore all our kisses right in halfWhy'd ya do it, she screamed, after all we've said
Every time I see your dick I see her cunt in my bedWhy'd ya do it, she said, why'd ya do what you did?
Why'd ya do it, she said, why'd ya do what you did?
Betray my little oyster for such a low bitchThe whole room was swirling
Her lips were still curlingWhy'd ya do it, she said, why'd you do what you did?
Why'd ya do it, she said, why'd you do what you did?
Why'd ya do it, she said, why'd you do what you did?
Why'd ya do it, she said, why'd you do it, she said
Why'd you do what you did?Big, gray mother, I love you forever
With your barbed-wire pussy and your good and bad weather
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)

(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
(Why'd ya do it, she said, why'd you do what you did?)
