Coming Home

Romeo

I'll be gone on a monday
I'll be back on a friday
If you're lonely without me
Then baby, baby, baby
I'll be home soon
Call a friend for some laughter
Keep in mind, the day after
Save your love for the weekend
'Cause baby, baby, baby
I'll give my love to you
Tadaa da dap, Tadaa da dap, Tadaa dadaa dadaa da dap
Tadaa da dap, Tadaa da dap, Tadaa dadaa dadaa da dap
It's so cold in this city
And I'm dreaming that you're thinking of me
Two more nights, this feeling will be over
So baby, baby, baby
Save your love for me
Tadaa da dap, Tadaa da dap, Tadaa dadaa dadaa da dap
Tadaa da dap, Tadaa da dap, Tadaa dadaa dadaa da dap
Two more nights
My flight leaves at nine
No longer alone (you're not alone)
And I see your smile
It lights up your eyes
So baby, baby, I'm coming home
I'm coming home, yeah
(Shoodoop dumdoodoop)
Tadaa da dap, Tadaa da dap, Tadaa dadaa dadaa da dap
Tadaa da dap, Tadaa da dap, Tadaa dadaa dadaa da dap
(I'm coming home, I'm coming home,
Yeah baby, oh girl, to you, to you)
Tadaa da dap, Tadaa da dap, Tadaa dadaa dadaa da dap
Tadaa da dap, Tadaa da dap, Tadaa dadaa dadaa da dap
I'm coming home
I'm coming home
I'm coming home
I'm coming home
I'm coming home
Yeah
