

Peppermint

Coco Jones

Uh huh
Yeah
C-O Squared
Let's go Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint Yes, original no copy
And all you imposters are photo copied
Yes, scent so effervescent
Wanna soar with the cool girl
Pilot my fly I step up on the scene
Yeah I rock it
Ain't no competition with me
Got it try to stop it Give me a run for my money
Run, run for my money
I keep it one hundred
Yeah I run run run it Fresh
And I hit my dougie
1, 2 step to the beat so ugly
Fresh
That new new flavor
That ear candy for ya
Hey! Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint I be going hammer
Tried to tell 'em not to touch this
I pretty girl rock
Them boys be looking Coco be the logo
Yolo, flashy like a photo
Sharper than a bolo

But you already know though You be craving something sweet
Check my swag
I be sweeter than candy
I got it like that Out the box new
There's no contest
When it comes to the best
There's no contest Coco be the logo
Yolo, flashy like a photo
Coco, flashy like a photo
Coco, flashy like a photo Fresh
And I hit my dougie
1, 2 step to the beat so ugly
Fresh
That new new flavor
That ear candy for ya
Hey! Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint If you got and you ain't afraid to tell it
Then clap your hands (clap your hands, oh)
And if you just to fresh to death
Then do your dance (do your dance, yeah) And if you really, really happy
To show it off
Put your hands in the air
Wave 'em back and forth If you got and you ain't afraid to tell it
Then clap your hands
So fresh!
Fresh
And I hit my dougie
1, 2 step to the beat so ugly
Fresh
That new new flavor
That ear candy for ya
Hey! Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint Fresh

And I hit my dougie
1, 2 step to the beat so ugly
Fresh
That new new flavor
That ear candy for ya
Hey! Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint
Fresher than a peppermint
Fresh, fresher than a peppermint
