From the day we arrived on your TV
And started to chase down those crooks
There's shaggy and Scooby to help us out
And get them in the criminal books
There's far too much to be scared of
Ghosts and monsters give Scooby a scare
Weve got plenty of time
For solving the crime
Give us a call, and well be thereCause were Mystery Inc
And we travel on
Catching zombies and ghosties
And finding clues
Till we catch that crook
In a spooky mansion
Cause were mystery
Cause were mystery IncCause were Mystery Inc
And we travel on
Catching zombies and ghosties
And finding clues
Till we catch that crook
In a spooky mansion
Cause were mystery
Cause were mystery Inc
