Burn It To The Ground

Nickelback

Well it's midnight, damn right, we're wound up too tight
I've got a fist full of whiskey, the bottle just bit me
Ooooooooooooooohhhhhhhhhh
That shit makes me bat shit crazy
We've got no fear, no doubt, all in balls outWe're going out tonight
To kick out every light
Take anything that we want
Drink everything in sight
We're going till the world stops turning
While we burn it to the ground tonight
OoooohhhhhhhWe're screaming like demons, swinging from the ceiling
I got a fist full of fifties, the tequila just hit me
Ooooohhhhh
We got no class, no taste, no shirt, and shit faced
We got it lined up, shot down, firing back straight crownWe're going out tonight
To kick out every light
To get anything that we want
Drink everything in sight
We're going till the world stops turning
While we burn it to the ground tonight
OoooohhhhhhhTicking like a time bomb, drinking till the nights gone
Well get you hands out of this glass, last call my ass
Weeellllll no chain, no lock, and this train won't stop
We got no fear, no doubt, all in balls outWe're going out tonight
To kick out every light
To get anything that we want
To drink everything in sight
We're going till the world stops turning
While we burn it to the ground tonight
Ooooohhhhhhh
We're going out tonight
To kick out every light
To get anything that we want
To drink everything in sight
We're going till the world stops turning
While we burn it to the ground tonight
