The Game's Got a Price

Flipper

I heard but I wonÂ´t tell
What you said about everyone else
I saw but I wonÂ´t tell
What youÂ´ve done with every other one
A wink and a nod
IÂ´ll play your game
A nod and a smile
IÂ´ll not say a word
Because the gameÂ´s got a price
And youÂ´ve got to pay
YouÂ´ve got to pay
Because the gameÂ´s got a price
