Slow Grind

JS

I just wanna slow grind (mmmm)
We can dance all night (oohh)
Wisper in what's on your mind (uuhhh)
Get somewhere and spend the night (oohhh)Listen.[verse one - Kim]
You put your arms around my waste, ooohhh
And I'll put my arms around your neck, babe ah yeah
Closer till we feel our bodies meet
Now tell me baby can you feel what I feel
Keep it real boy, it's that body heat
I just wanna slow[chorus - JS (Kim)]
I just wanna slow grind (slow grind)
We can dance all night (we can dance all night baby)
Wisper in what's on your mind
(whisper in what's on your mind, yeah)
Get somewhere and spend the night (spend the night, I)I just wanna slow grind (I just wanna slow grind)
We can dance all night (and we can go all night long)
Wisper in what's on your mind (whisper in what's on your mind)
Get somewhere and spend the night
(we can get somewhere and spend the night)[verse two - Kandy]
I can't belive it's your body I'm holding (sing girl)
Now tell me baby can you feel my pelvis slowly rolling, uh huh
You get in head up just by looking at me
Now tell me baby can you feel what I feel
Keep it real boy, it's that body heat
I just wanna slow[chorus - JS (Kandy) + {Kim}]
I just wanna slow grind {slow grind, yeah}
(dance all night) We can dance all night {baby}
(whispering in words in ya) Wisper in what's on your mind (on my mind)
Get somewhere and spend the night (yeah)(I just wanna slow)
I just wanna slow grind (I just wanna slow, oh, oh grind)
We can dance all night (baby we can dance all night)

Get somewhere and spend the night (let's go)
