# Ask the Lonely

## Vonda Shepard

Just ask the lonelyWhen you feel that need
To make it all alone,
Remember no one is thinking of,
Going aloneJust ask the lonely
They know the hurt and pain,
Of losing a love, you can never regainJust ask the lonely
Just ask the lonelyThe young and foolish laugh at love (Woo hoo)
So they run away (Woo hoo hoo hoo)
Confident and sure that fate (Woo hoo)
Will bring another love their way(Ah) But ask the lonely
(Ah) How vainly a heart can yearn,
(Ah) For losing a love that will never returnJust ask the lonely
Just ask the lonely
They'll tell youOoh, Woo hoo hoo hoo ooh(Ah) They'll tell you a story of sadness,
(Ah) A story too hard to believe
Ah, they'll tell you the loneliest one is meJust ask the lonely
Just ask the lonelyAsk me
I'm the loneliest one you'll seeJust ask the lonely
