Take it Off (Chicks N Fire Remix)

Ke$ha

There's a place downtown,
Where the freaks all come around
It's a hole in the wall, it's a dirty free for allWhen the dark of the night comes around
That's the time, that the animal comes alive
Looking for something wildAnd now we lookin' like pimps
In my gold Trans-Am
Got a water bottle full of whiskey
In my handbag got my drunk text on
I'll regret it in the mornin'
But tonight I don't give a, I don't give a, I don't give aThere's a place downtown,
Where the freaks all come around
It's a hole in the wall, it's a dirty free for allAnd they turn me on
When they take it off, when they take it off everybody take it offThere's a place I know if you're looking for a show
Where they go hardcore and there's glitter on the floorAnd they turn me on when they take it off
When they take it off everybody take it offLose your mind, lose it now
Lose your clothes, in the crowd
We're delirious tear it down
'Til the sun comes back aroundN-now we're getting so smashed
Knocking over trash cans
Everybody breakin' bottles
It's a filthy hot mess
Gonna get laid I'm not the designated
Driver so I don't give a, I don't give a, I don't give aThere's a place downtown,
Where the freaks all come around
It's a hole in the wall, it's a dirty free for allAnd they turn me on, when they take it off
When they take it off, everybody take it offThere's a place I know
If you're looking for a show
Where they go hardcore
And there's glitter on the floorAnd they turn me on, when they take it off
When they take it off, everybody take it offOh, oh, oh! Everybody take it off! Oh, oh, oh!Everybody take it off!
Right now! take it off! Right now! Take it off! Right now! Take it off! OhRight now! take it off! Right now!
Take it off! Right now! Take it off!
Everybody take it off!There's a place downtown,
Where the freaks all come around
It's a hole in the wall, it's a dirty free for allAnd they turn me on
When they take it off, when they take it off everybody take it offThere's a place I know
If you're looking for a show
Where they go hardcore

And there's glitter on the floorAnd they turn me on, when they take it off
When they take it off, everybody take it off
